We wouldn't have known Rex Omar's financial status until his issue came in the news recently. Rex Omar could be compared to the likes of Amakye Dede, Daddy Lumba and Kojo Antwi. During his time, he released bangers of all genres, from gospel to Hi-Life and more. We didn't know that a man like Rex Omar was still living in a rented apartment and all his properties including his car were confiscated by court because **he owes just 8,000 Euros**. Wow! What happened to all the sales
